Donations and Sponsorship

We appreciate your interest and support in helping us make our Fort Hunter Smokin' 5k, Kids Race, and Community Walk a successful and enjoyable event. Our goal is to promote a stronger sense of health and wellness. Although we train hard, with fire fighter line of duty deaths on the rise, we would like to be the leader of change to improve the state of fitness in the fire service as well as in our surrounding community. We have established suggested sponsorship levels but would appreciate any donation or gift to assist in making this event a true success for children and adults.
